

# Changing Room Policy

**Scope of Policy:** This Policy applies to Kent Cricket Talent Pathway.

We endeavour to ensure that adults will not be using the changing rooms at the same time as children and young people. A child is someone who has not yet reached the age of 18. However, we will be using different facilities and it is not possible to guarantee this.

Where possible, adults will be asked to change at separate times to children\* if sharing the same facilities.

Players uncomfortable with this arrangement are advised to change and shower at home.

Most mobile phones have a camera and video recording facilities and therefore no mobile phones are allowed to be used for any purpose in the changing rooms.

\*Provision will not usually be made for separate changing times or rooms for U18s in Professional Cricket or Women's Cricket. U18s uncomfortable with changing or showering with over 18s are advised to do so at home. Players or parents may discuss this with the team manager or County Safeguarding Officer if necessary.
