Will I know anyone? Some will, some won't but you will soon make friends, we have a really fun team bonding away trip before the summer to get to know each other even better.

Can I bring my phone? Yes you can but you will be asked not to use it during certain activities.

Who are the coaches? When the squad is announced your team mates and the coaches will be [listed on the website](#), we try to make sure there is at least one female coach in each age group.

Are there specialist coaches? Yes we have coaches with expertise covering, bowling, batting, spin bowling, seam bowling, wicket keeping and strength and conditioning.

How many games do we play? Each squad will play a minimum of 12 matches with each girl guaranteed to play at least 8 and there will be a festival too.

What if I can't make a match, or a club and county match clash? There will be an availability form to complete. You are expected to prioritise county over your club, if there is a reason you think a particular club match is more important then speak to your coach.

Who can I speak to if I have any worries? Talk to your squad coaches or Siobhan our Pathway Safeguarding Officer, or Bridget our County Safeguarding Officer – [details on the website](#)
