

# Kent Cricket Player Charter

## 2021-22 Season

This Charter explains what we expect of you and what you can expect from us. It provides the basis upon which we can build high, common standards in all teams, and work together to develop you as cricketers and people.

All pathway players will be asked to agree to the terms of this Charter when accepting their place in the Pathway Squad, via the acceptance form on the website.

### What we expect of you – The Kent Cricket Talent Pathway Player.

#### Your Responsibilities:

- Be responsible for your own preparation and practice for matches. This includes sufficient off-season training and practice to develop your game.
- Be responsible for asking and recording cricket related feedback from all coaches involved in your development.
- Be involved in the highest standard of club, school and area cricket appropriate to your development.
- Ensure your availability has high priority, although, we do not expect it to have priority over everything else, all the time.
- Most importantly, look to **enjoy**, be grateful for and maximise the cricket opportunities available to you in the Talent Pathway.

#### Arriving at your session:

- Please arrive promptly at the requested time of your coach. Punctuality is **essential** to maximise pre-match training.
- Please wear the branded kit purchased through Kent Cricket smartly, to show your pride in playing for Kent through your attire and behaviour.
- Please ensure that you make your coach aware of any illness/injury, ideally before the day of your session/match, or if on the day, as early as possible, so that the coach can support you but also then plan for the fixture appropriately.

#### The way we play: Our conduct

The basis of all things successful is good discipline and dedication. Accordingly, Talent Pathway players are required to set consistently high standards of discipline and good behaviour and achieve our goal of being the best and most supportive player development system in the Country.

- We will take notice of reports not only of levels of performance, but also of individual player attitude in matches at county, school, club or area level. Playing for your county brings with it the responsibility to demonstrate how county players behave.

- You should take every opportunity to show respect to and thank appropriately the officials, players, coaches, managers and venue/grounds staff involved in your cricket, be gracious in victory and defeat and encourage your team mates to do the same.
- Proper care must be taken of facilities e.g., training areas and changing rooms must be kept tidy and left how they are found. If anything is damaged, please report to your coaches.
- Players must ensure kit is clean and well maintained.
- All players must abide by the rules laid down by England and Wales Cricket Board, with regards to the wearing of helmets.
- Never engage in, or tolerate, offensive, insulting, or abusive language or behaviour.
- Bullying will not be tolerated.
- Players must abide by the [Kent Cricket Social Media Policy](#) and must not use any form of social media to bully or make derogatory remarks about any person(s) involved in the county game.
- Players must not ask their coach or other Talent Pathway staff to be “friends” with them on **any** Social Media platforms.
- Players must communicate with their coach and any Talent Pathway staff via their parents. If over the age of 16, provided parental consent has been given, players and coaches may communicate via approved messaging services, **provided the parent is always copied in.**
- Look to fulfil your cricket programmes with school, club, area or county as best you can as agreed/discussed with your Talent Pathway Coach and take responsibility for communicating with all relevant parties to ensure an effective life balance.
- Periodically you will be given advice about diet, rest, and other aspects of healthy living. We expect you to take care of yourself physically. Specifically, avoid abuse of alcohol and the use of illegal drugs or performance enhancing substances.
