The way we play: Our conduct

The basis of all things successful is good discipline and dedication. Accordingly, Talent Pathway players need to set high standards of discipline and good behaviour, always maintain them, and achieve our goal of being the best player development system in the Country.

- We will take notice of reports not only of levels of performance, but also of individual player attitude in matches at School, Club or Area level. Playing for your County brings with it the responsibility to demonstrate how County Players behave.
- You should take every opportunity to show respect to and thank appropriately the Officials, Players, Coaches, Managers and Venue/Grounds Staff involved in your cricket and encourage your team mates to do the same and to be gracious in victory and defeat.
- Proper care must be taken of facilities e.g., training areas and changing rooms must be kept tidy and left how they are found.
- Players must ensure kit is clean and well maintained.

- All players must abide by the rules laid down by England and Wales Cricket Board with regard to the wearing of helmets.
- Never engage in, or tolerate, offensive, insulting, or abusive language or behaviour.
- Bullying will not be tolerated.
- Discriminatory language or behaviour of any kind is unacceptable and if you hear or see it, or are the victim of it please report it by e mailing equality@kentcricket.co.uk or tell the Pathway or County Safeguarding Officer
- Players must abide by the [Kent Cricket Social Media Policy](#) and not use any form of social media to bully or make derogatory remarks about all others involved in the County game, including other teams, players, umpires, and scorers.
- Players must not ask their coach or other Talent Pathway staff to be “friends” with them on **any** Social Media platforms.
- Look to fulfil your Cricket Programmes with School, Club, Area or County as best you can as agreed/discussed with your Talent Pathway Coach and take responsibility for communicating with relevant parties to ensure an effective life balance.
- Periodically you will be given advice about diet, rest, and other aspects of healthy living. We expect you to take care of yourself physically. Specifically, avoid abuse of alcohol and the use of illegal drugs or performance enhancing substances.
