KENT CRICKET

Cricket is the national summer sport for England and Kent Cricket has roots as far back as 1705, with the club being formally created in 1870. Take the opportunity to visit and learn the basics of Cricket, in the very same facilities used by Kent's professional and international Cricket Stars.

We have also been fortunate to host the England Women's team who have played several games here.

Our excellent team of community coaches will share their knowledge to teach you how to BAT, BOWL and FIELD and then test these new skills out with your peers in some game play.
